ROLL CALL:

Chair: Andrew Bick – present
Vice-Chairman: Steve Bettinger – present
Donald Eisel – present

The special meeting of the Richfield Township Board of Trustees was held to discuss the lease agreement from Mercy St. Vincent Medical Center and the Richfield Township Board of Trustees to lease the fire department for use of a Mobile Stroke Unit.

The mobile stroke unit is a specially equipped ambulance unit, which could potentially save the life of stroke victims. Lucas County 911 operators will dispatch the unit, along with the 1st Responder life squad, to homes and businesses where there are suspected stroke victims. The unit has a CT scanner and a lab on board; this unit will be available 24-7. The test results will be sent to a doctor through a telemedicine device so the doctor can immediately diagnose a stroke and instruct the nurse and paramedics on board to start medication. This emergency room on wheels is the first-of-its kind in Lucas County and just the fourth nationwide.

Assistant Prosecutor John Borell has reviewed and approved the lease agreement.

The agreement is a 12 month lease and includes one 700 square foot ambulance bay and approximately 1,613 square feet of living quarters. Rent includes the sum of \$1349.00 per month and an additional amount for the cost of utilities of \$900.00 per month.
