Archbold Refuse Service, Inc. is pleased to remain the exclusive refuse provider for Richfield Township! Archbold Refuse Service, Inc. has been in business since 1969 and is a locally owned and operated company. We strive to provide our customers exceptional resources while giving each of our customers the personal attention they deserve.

Important Information for Richfield Township Residents:

- Your current collection day is Monday. Your last Monday pickup will be Aug. 31st. Your service day will then change to **THURSDAY**. Your 1st service day on Thursday will be Sept. 3, 2020.
- All residents will receive a Mighty Tidy™ cart for refuse pickup. Cart sizes are 35 gallon, 60 gallon and 96 gallon. If you currently have a Mighty Tidy™ with ARS, your services will be set up for the 96 cart services.
- If you need to select your cart size and service, please fill out the enclosed form and return it to ARS immediately. Carts will be delivered to residents on Aug. 29th.
- Residents are allowed one full cart of trash per week. Please choose the size of cart that best fits your weekly service needs. Extra bags must be pre-paid for pickup. Bags may be paid for by calling the ARS office.
- Should you have bulk items such as mattresses, furniture, appliances, etc., you may arrange for disposal by contacting our office at 419-445-5391. Bulk items are pre-paid and will be picked up on your trash day.
- We offer credit card and direct debit payment options. Both of these forms are available on our website www.arsrefuse.com.
- You will be invoiced quarterly and in advance for services. Your first invoice will be for Sept.–Oct.–Nov. and will be sent out at the end of July.
- Accounts that do not have payment received by the 1st of the billed quarter will have their service placed on hold until payment is received. Accounts cancelled for non-payment are subject to additional fees and re-delivery fees for carts to restart services. If you are experiencing a payment issue, please contact our office.

IMPORTANT CART PLACEMENT INFORMATION:

- Your route is automated. This means that in order for your containers to be picked up, they must be placed curbside, with the handle facing the house, and 3-4 feet from mailboxes, signs, poles, etc. The lids must be closed.
- Overfilled containers cannot be dumped. Extra bags must be pre-paid and placed outside the container in order to be picked up.
- Containers should be placed curbside per the instructions and photos below and should be out by 7 a.m.
